To Whom It May Concern:

I am attempting to DBA American Flag Cab and I have encountered a problem in which I respectfully ask for an extension of 30 days to comply with all requirements set forth by the Public Service Commission of 60 days after approval. Enclosed is the quote which is on file when I began this process. After completion of everything that was required I attempted on 08/13/09 to purchase my premium. It was then brought to my attention that I now have a premium of \$8673.00 annually as opposed to \$6919.00. I really don't have a problem with the annual premium (although it is very expensive). I do have a problem with a last minute increase of the 25% down payment. My budget allowed \$1730.00 for the down payment which I was fortunate enough to obtain as a personal loan 2 weeks ago. Now, one business day before my deadline I am told I need \$2200.00 down payment to obtain this insurance. At this moment I do not have the immediate option to obtain these extra funds and I respectfully ask for some latitude on this matter. I realize I will be required to reapply if I am not granted this extension. I only ask that you grant this so that I may go to work as soon as I obtain these funds.

Thank you for your attention. You are very much appreciated.

Sincerely,

*Steve M. Shealy*
